## SURROUNDED BY MYSTERY!

### A Great Mistake.

A recent discovery is that headache, dizziness, confusion of the mind, etc., are due to derangement of the nerve centers which supply the brain with nerve force; that indigestion, dyspepsia, neuralgia, pain in stomach, etc., arise from the derangement of the nerve centers supplying those organs with nerve fluid or force. This is likewise true of many diseases of the heart and lungs. The nerve system is like a telegraphy system, as will be seen by the accompanying illustration. While lines are the nerves which convey the nerve force from the nerve centers to every part of the body, just as the electric current is conveyed along the telegraph wires to every station, there is no such thing as a physician to regard this fact; instead of treating the nerve centers for the cause of the disease arising from them, they treat the part affected.

Franklin Miles, M. D., L. B., the highly celebrated specialist and specialist of nervous diseases, and author of many noted treatises on the latter subject, long since realized the truth of the first statement, and his Restorative Nervine is prepared on that principle. Its success in curing all diseases arising from derangement of the nerve centers is wonderful, as the thousands of unsolicited testimonials in possession of the company manufacturing the remedy abundantly prove.

Dr. Miles' Restorative Nervine is a reliable remedy for all nervous diseases, such as headache, neuralgia, deranged prostration, rheumatism, giddiness, hysteria, sexual debility, St. Vitus dance, epilepsy, etc. It is sold by all druggists on a positive guarantee, or sent direct by the Dr. Miles' Medical Co., Elkhart, Ind., on receipt of price \$1 per bottle, six bottles for \$5, express prepaid.

Restorative Nervine positively contains no opium or dangerous drugs.
